Re: United States v. Darrius Sutton, et al
Criminal Docket No. 20-CR-323 (S-4) (AMD)

Dear Judge Donnelly:

On January 11, 2023, a grand jury sitting in this district returned a fourth superseding indictment in the above-captioned case. The fourth superseding indictment corrects certain typographical errors in the third superseding indictment; it does not include any new charges. A “compare” version showing the changes from S-3 to S-4 is attached for your convenience as Exhibit A to this letter.

A status conference is scheduled in this matter for January 26, 2022 at 11:30 a.m. The government respectfully requests that the Court arraign the defendants on the fourth superseding indictment at that time.

Respectfully submitted,

BREON PEACE
United States Attorney
